1. Source reported that the following were the leaders of a demonstration recently held in La Paz by university students to protest against the restrictions placed by the Peruvian Military Junta on student participation in the government of San Marcos University:

Victor Hugo Libera, Secretary General of the Federacion Universitaria Local (FUL) and the Frente Universitario de Izquierda (FUI)

Jose Pereira, Secretary General of the Federacion de Juventudes  
Piristas (FJP)

Ronald Arellano Sanchez, President of the Federacion de Estudiantes  
de Secundaria (FES)

Alfredo Suarez, member of the Federacion Universitaria Boliviana (FUB)

Mario Miranda, member of the FUI

Armando Soriano, representative of the School of Philosophy in the FUL

Pedro Yuger, a Peruvian student in La Paz and a member of the APRA

2. All of the above, except Yuger, are members of the Partido Izquierda Revolucionario (PIR).

Comment. The students marched around the city, holding meetings in the principal plazas. Full advantage of this opportunity was taken by the speakers, except Yuger, to denounce the Wall Street Imperialists of the United States. It was made clear that no endorsement of the APRA was intended, since Haya de la Torre and his party have surrendered to Wall Street.
